Royal suite

THE ROOM · 80 M² · 4 + 1 GUESTS

About the room

A two-room 80 m² suite with its own sauna and a balcony above the park. Space for four guests and a child, and a private spa moment without leaving the room.

A very spacious two-room suite with a living room, a sofa, a seating area and two queen-size beds. It has its own sauna, a balcony with a park view, air conditioning, a TV, a telephone, a safe and a minibar. The bathroom has a bath or shower, a hairdryer, bathrobes and slippers.

In the room

- Minibar with healthy drinks and snacks, at extra charge
- Coffee machine and kettle
- Sleep menu: pillows of different firmness and a weighted blanket, on request
- Bathrobes and slippers
- Grown Alchemist toiletries
- Air conditioning
- TV with cable channels
- Safe
- Wi-Fi
- Private sauna
- Balcony
- Seating area with a sofa
- A child can sleep on the sofa

Why our bathrooms have

Grown Alchemist

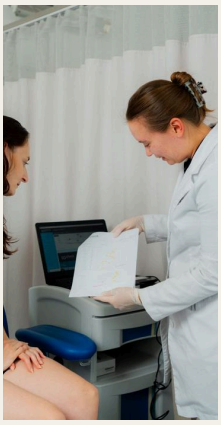

- **Plant-based scents** — gentle, without heavy perfume
- **More than 94% natural ingredients** — according to the brand
- **Skin care as part of wellness** — formulas that moisturise and nourish

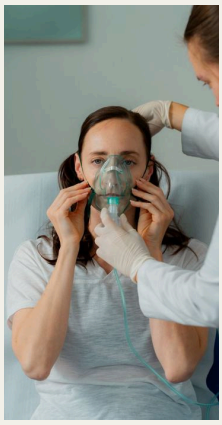

Even the toiletries are part of your stay: not just hygiene products, but everyday care.

The story of the place

An Art Nouveau house from 1905

In 1909 the young heir to the Serbian throne, Alexander Karađorđević, came here to rest.

Today the house has 21 rooms and Revita Clinic. The spa park and the Donat Mg spring are five minutes from the hotel.
